

The background of the poster is a photograph of a person in a dark, possibly black, costume performing a fire dance. The person is holding a large, glowing, circular structure made of fire, which appears to be a traditional fire wheel or a similar fire-based performance element. The fire is bright yellow and orange, creating a strong contrast with the dark background. The person's face is partially visible, looking towards the camera. The overall atmosphere is dramatic and intense.
